

For a more dramatic look try Select 8 ply

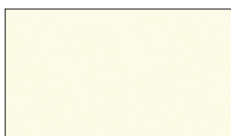

What stands out more than Crescent Select Matboard's most popular 4 ply colors?

Those same colors in 8 ply!

We've taken five of our best-selling colors and added 8 ply white core options in both 32" x 40" and 40" x 60" sizes.

These neutral colors will complement many art styles, such as photography, original art, fine art prints. Ideal for adding dimension and depth to any custom design.

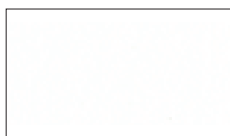

All are 100% conservation quality alpha-cellulose, which means they are acid-free, lignin-free and both fade and bleed resistant.
